 HariCharan-91 |  HariCharan |  hari939126@gmail.com |  +91 9391268634

EDUCATION

2021 - present	Indian Institute of Information Technology, Vadodara	CGPA : 7.3
2020	Tirumala Junior College	CGPA : 9.4
2018	Sri Chaintanya EM School	GPA : 9.8

EXPERIENCE

Member at the Dot Club

Design Club of IIITV

- Spearheaded 3 design-focused initiatives resulting in a 20% increase in club engagement.
- Orchestrated workshops and events on UI/UX design principles, attracting 50+ participants each.

Participant in Hackathons

- Contributed as a team member in 2 hackathons, collaborating with diverse teams to develop innovative solutions.
- Demonstrated problem-solving skills and creativity under pressure, resulting in successful prototype development.

PROJECTS

• EASYTEXT

[GitHub Link](#)

- Achieved 100% accuracy in text extraction, ensuring all highlighted textual content is accurately extracted with the implementation of a sophisticated categorization system for textual highlights.
- Successfully processed PDF files exceeding 100 pages, ensuring efficiency and accuracy even with large-scale documents.

Tools & Technologies: HTML/CSS, JavaScript, Python, React.js, Node.js, Express.js, MongoDB

• MKW

[GitHub Link](#)

- Orchestrated the development of a full-stack online clothing store project, ensuring an intuitive shopping experience across diverse clothing categories for men, women, and children.
- Engineered an efficient admin dashboard for inventory management, streamlining the process of updating clothing data to maintain the store's collection in line with current trends.

Tools & Technologies: HTML/CSS, JavaScript, React, Node.js, MongoDB

• HACKMEET

[GitHub Link](#)

- Spearheaded the development of a sophisticated online meeting platform.
- Crafted intuitive and elegant frontend interfaces, prioritizing user experience and accessibility to facilitate efficient navigation and engagement.

Tools & Technologies: HTML/CSS, JavaScript, React

SKILLS

Languages: Java, HTML, JavaScript, Python (basic)

Developer Tools: Postman, Git, VsCode

Frameworks: React, Node.js, Express.js, Redux, Tailwind CSS, REST API's

Cloud/Databases: MongoDB, MySQL

Designer Tools: Figma, Blender (basic)

Soft Skills: Effective Communication, Teamwork, Adaptability

ACHIEVEMENTS

- **Hostel Management System** : Idea accepted by IIIT VADODARA under SSIP Gujarat Program in 1st category
